

Monday 14th January 2019

Dear Parents/ Carers,

We invite you to attend the **Year 2 SATs preparation meeting** on -
Day: Thursday 7th February 2019 **Time:** 3.00pm
The meeting will be held in Class 2, I hope you will be able to attend.

In May your child will be taking a series of tests to help us determine if they are meeting end of year expectations. These are known as SATs (Standard Attainment Tests); to your child it will probably seem like just routine class work and they are unlikely to be aware that they are being tested.

Obviously we want your child, as we are sure you do, to show us the best that they can do and there may be little things that you can do at home that will help them no-end.

At the meeting we will;

- Share what the tests may include and the types of questions the children will need to be able to answer.
- Explain how we can best prepare the children for this in school.
- Share ideas and tips for how you can help your child at home.
- Answer questions and concerns that you may have.

We are very proud of all the children and their achievements at St. Paul's Peel C.E. Primary School and we obviously want our Year 2s to be as successful as possible and do as well as they possibly can, by us all working together.

It would be great if you could join us on the date stated above; this will be a great opportunity for you to ask questions and become better informed so you can support your child during this time.

Yours sincerely,

Miss J Barker
Headteacher
