Natasha's Law

Dear Parent/Carer,

At the beginning of October a new law was passed regarding allergens in food, with this in mind and also that our menus are changing after half term please can I ask that you complete the table below indicating any allergies your child(ren) have. This information will be shared with our catering staff ensuring that your child is not offered any meals that may contain ingredients that they are allergic to. If we do not receive any information from you, we will presume that your child(ren) do not have any allergies.

Please complete the form below, tick any ingredients your child is allergic to and return to school.

Name of child: _____ Class: _____

Yours sincerely,

Miss Barker
