Use the objects to help you write your own acrostic poem for the words Easter Time.

Don't forget to add a describing word to each line!

How to make an Easter bonnet

You will need: 2 paper plates, glue, scissors, stapler, ribbon and decorations.

1. Cut out the centre of one of your plates. You will then be left with a rim.

2. Cut four slits in your second plate. One on each side.

3. Overlap the edges before stapling them together. You should now have a bowl shape.

4. Place the first plate over the second and push down to make it secure.

5. Decorate your bonnet with tissue paper and other decorations.

6. Attach a ribbon to each side of your bonnet to help secure it to your head.

Well done! You have successfully made a lovely Easter bonnet!
