

Worship 2 Go

Drawing School and Home Together

Thanks to all those people who have made some of the resources collated here available to share

Humility

Daily Prayer

Dear God, thank you that you love us even when we get things wrong. Help us always to think about what you want us to do. When we only look at the wonder of ourselves, remind us to look for the wonder in others. Help us always to share your love with them. Amen.

Younger children might like to watch this short video:

Bible Verse

He has shown you, O mortal, what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God

You can find this in the Bible in the book of Micah, Chapter 6, verse 8

Wondering

I wonder if you find it difficult to be humble

I wonder if you can think of any examples of people showing humility

I wonder if you can think of a time when you demonstrated humility

Creative Prayer 1 ≈ Teaspoon Prayers

When we pray to God it is often with humility whether we are saying, thank you, please or sorry. All of those prayers can be difficult sometimes (perhaps especially saying sorry!). Take 3 teaspoons either metal or plastic. When we write a recipe we shorten teaspoon to tsp. Decorate the teaspoons each spoon with a letter, t, s or p. Use the teaspoons to help you to remember to pray in this way:

t= thank you, s= sorry and p= please.

Activity 1 ≈ Encourage someone

Think of something someone you know is good at. It might be that they are a good cook, that they are good at reading stories or playing a sport. Write a little note to say that you have noticed what they're good at. You might want to write some encouraging words too. Leave it somewhere they will find it. If you want to share it with someone you can't see at the moment, as a family, you could take a photograph of it and send it to that person.

Creative Prayer 2 ≈ Praying for justice

CS Lewis wrote a series of stories about a world called Narnia. In that world, bad things sometimes happened that made Narnia seem broken but everything was put right in the end. It's the same for us in our world. Are there any particular places or things happening in the world that you think need mending? Maybe they are things that seem unjust or unfair. Sometimes, it takes humility to see another person's point of view.

Make a list of those things or cut some pictures out of newspapers or magazines to make a collage.

What is your prayer for them? Is there anything you can do to help make the world a better place? It might be something that seems like a small thing such as remembering to show kindness to someone else, but that can make a BIG difference.

Activity 2 ≈ Design a town

This is your chance to create your own town. You could draw it on a big piece of paper, make it from Lego or scrap with boxes and cardboard. If you have space you could make a really big one!

Give your town a name. What would you do if you were mayor of this town? How would you make sure everyone was happy?

Quote of the week

'Humility is not thinking less of yourself, it's thinking of yourself less'

CS Lewis

(If you are not sure who this person is, perhaps someone can help you do a little research)

Thing of the week...

This week we are inviting you to design a hat, the bigger the better! We can't wait to see your photos on Twitter!
