

Stork Support

Delivering baby essentials to families during COVID-19

Thanks to funding from For Housing & Coalfields regeneration trust we are continuing our Stork Support project in the areas of Little Hulton & Walkden over the summer until October 2020.

We will be based at the Little Hulton district centre & also provide doorstep deliveries, complying with Covid-19 government guidelines.

We can provide the following items for free or a donation towards costs:

- Nappies & Nappy bags
- Wipes
- Bathing items such as childrens bath wash, shampoo, toothpaste etc
Talcum powder, oil & lotion
- Medicines such as calpol, teething gel, nappy cream
- Baby food 6m+
- Formula milk or blue top milk

We can also signpost you to other relevant services.

We are looking forward to working with the local community!

Get in touch with the For Housing Little Hulton Neighborhood team if you or someone you know needs help, or message us on Facebook if you are unsure of the process.
