

## Pupil Premium Spending - St Paul's Peel C.E. Primary School

This document was reviewed in September 2020 - Please see COVID 19 notes (highlighted in blue). A full assessment of children's needs will take place during the Autumn term to identify support needed due to COVID-19 and the school closure.

### What is the Pupil Premium?

The pupil premium is additional funding for publicly funded schools in England to raise the attainment of disadvantaged pupils of all abilities and to close the gaps between them and their peers. Primary schools receive £1,320 for each child registered as eligible for free school meals at any point in the last 6 years.

### Who is the Pupil Premium for?

The Pupil Premium is additional funding to help schools close the attainment gap between children from low-income or other disadvantaged families and their peers.

#### The School's Commitment

All members of staff and governors accept responsibility for 'socially disadvantaged' pupils and are committed to meeting their pastoral, social and academic needs within the school environment. St. Paul's Peel C.E. Primary School is committed to 'Diminishing the Gap' between vulnerable pupils and the Pupil Premium forms a vital part of that process. The governors reserve the right to allocate the Pupil Premium funding to support any pupils or groups of pupils the school has legitimately identified as being socially disadvantaged.

### Reporting Pupil Premium Information

It is the responsibility of the governors to explain pupil premium expenditure to parents in the form of an annual statement. St. Paul's Peel C.E. Primary School will publish a report on the school's website <a href="https://www.stpaulspeellh.co.uk">www.stpaulspeellh.co.uk</a> annually. This report aims to detail information on how Pupil Premium has been used within school and the impact the funding has had.
